

Green & Silver Days

December 4th thru December 15th

Festus Elementary & Intermediate Schools are conducting a service project to benefit families in need this Christmas Season. We need your help to ensure that all children will have a blessed Christmas.

We will be collecting donations of money (silver coins and green dollars please). All monies will be given to the Jefferson Community Action Corporation for their annual Toy Distribution at the Mississippi Eagles in Crystal City.

Each classroom has a goal of \$30.00. Money donated will be used to purchase gifts, clothing, and books. Last year the Action Corporation assisted over 2,000 families in the Jefferson County area.

***Please contact your child's counselor if you need assistance this Christmas Season.**

Mrs. Helms and Mr. Williams, School Counselors

Your generosity is greatly appreciated!
