A large smartphone mockup tilted at an angle. The screen displays a playlist titled 'LUNCH TIME TUNES'. At the top, there's a status bar with a signal strength indicator, a battery icon at 55%, and the time 12:00. The playlist has four entries, each with a square icon box, a song title, and an artist name. The first two entries are pre-filled: '01. Punk Rock Pizza' by 'Starched Apron' (with a pizza slice icon) and '02. We Got the Beats Burger' by 'MC Manager Mama' (with a burger icon). The next three entries have empty icon boxes and blank lines for song titles and artists. At the bottom of the screen is a 'Now Playing' bar with a small square icon, a pause button, and a skip forward button.
