### Special Additional Attendance

If the district tracks and reports attendance that occurs outside the normal school day, it will be displayed on this page.

### Attendance Steps

Districts have the ability to designate a point value for each absence (e.g. excused absences might count as five points, excused absences count as one point, etc.) These points are then totaled and letters are mailed to the parents of students who have more than a certain number of points. Contact the district for details about their Attendance Step policy.

## Account Management

The Preferences section allows you to set the default items you wish to show on the Calendar page. Checking All Students will make the calendar show all of your students, regardless of which student is currently selected for viewing.

The screenshot shows the 'Edwards School District' header with a navigation bar containing 'Home', 'Attendance', 'Discipline', 'Grades', 'Meals', and 'Other'. The 'Account Management' section is active, showing the 'Preferences' tab. Below the header, there is a section titled 'Default to displaying these items on the calendar:' with four checked checkboxes: 'All Students', 'Homework', 'Attendance', and 'Discipline'. A 'Save Preferences' button is located at the bottom of this section.

If you want to alter your password, you can do so in the Change Password section.

The screenshot shows the 'Change Password' form. It includes a instruction: 'Your new password should be something you will remember but someone else would find hard to guess. You can use any combination of upper and lower case letters, numbers, and punctuation.' Below this are three input fields: 'Current Password:', 'New Password:', and 'Verify New Password:'. A 'Submit Change' button is at the bottom.

If your district has the automated calling feature installed, you will automatically receive a call at your home phone number when attendance notifications are triggered. The district may also give you the option of selecting alternative or additional numbers to have called. Simply check the box next to each number at which you wish to receive the notification.

In addition, you may also choose to opt out of receiving email notifications regarding attendance, discipline incidents and daily gradebook scores by unchecking the appropriate boxes.

The screenshot shows the 'Voice/Email Notification' settings page. It has three sections: 'Attendance Notification' with checkboxes for 'Home phone 1: (555) 314 - 2828', 'Joe's Cell phone: (555) 314 - 6541', 'Renee's Cell phone: (555) 314 - 4558', and 'Send Email'; 'Discipline Notification' with a 'Send Email' checkbox; and 'Gradebook Scores Notification' with a 'Send Email' checkbox. A 'Submit Change' button is at the bottom.

The Login History page shows a record of each time this username has been used to access the portal as well as the IP address being used at the time.

Login History

Tue 07/21/09 09:53 AM	172.16.2.120	Success

Mon 07/20/09 03:44 PM	172.16.2.120	Success

The parent portal can also be accessed using a mobile device such as a smart phone or tablet. When this is done, the program automatically detects the device and takes you to the Tyler SIS Mobile login:

Make sure that Login as Parent is selected.

If the **Remember me on this device** box is checked, the User Name will fill in automatically the next time this page is accessed. The password will always need to be entered, to maintain security.

The full (non-mobile) site can be accessed by clicking the **Full Site** link in the lower right corner. If Tyler SIS is being accessed via a tablet or a phone with a large screen, the full site may be preferred.

After logging in, the first screen lists each of the students in the family.
